

Product description

E-asset management

With e-asset management, you can sit back and relax. Our investment experts make investment decisions for you and keep an eye on the financial markets.

Your investment needs

You want to leave the management of your assets to the investment experts at PostFinance and devote your time to other things.

The advantages for you

- Our investment experts put together your portfolio in accordance with your chosen investment strategy.
- We follow the financial markets actively and ensure that your assets are optimally invested in line with your investment strategy. Your portfolio will therefore be monitored by our investment experts on an ongoing basis and regularly adapted to market developments based on PostFinance's market view.
- We invest on your behalf in an attractive range consisting exclusively of selected third-party funds and exchange traded funds.
- You set your own personal priorities and choose an investment focus area according to your interests: Swiss, Global or Sustainability.
- If you want to increase your investment amount, you can easily choose between a one-time transfer and a standing transfer order. A standing transfer order enables you to invest your chosen amount automatically and regularly, and you can benefit from average prices.
