

Handling international payment transactions

Transferring and receiving

Do you want to transfer money abroad easily, quickly and securely? Whether you conduct transactions frequently or only transfer money occasionally, PostFinance can offer you comprehensive, transparent and cost-effective international payment services.

SEPA international payment

With over 100 years of experience, PostFinance is the leading international payment provider in Switzerland.

- Free euro transfers to 36 European countries.
- Whenever possible, PostFinance automatically forwards your payments as SEPA payments.
- Payments are credited to the recipient's account within a maximum of one bank working day as of the debit date with no deductions. Some recipient banks deduct a fee for the incoming payment. The customer will have been previously notified about this charge.
- Conditions: Payment in EUR to a SEPA country, specification of IBAN (International Bank Account Number) and the recipient's bank has to be a SEPA participant.

International payment

- Transfers to any account worldwide.
- Transactions possible as individual or standing orders, via e-finance, PF App and at the counter.
- Third-party fee payment can be selected:
 - The recipient receives the full amount – you pay the third-party fees incurred.
 - The recipient receives the reduced amount – the third-party fees are deducted from the credit.
- The recipient's financial institution usually receives the credit within one to two working days.

Express surcharge

- For immediate transfers worldwide in EUR, USD, CHF, CAD, GBP, NOK, SEK, CZK, HUF, PLN, ZAR.
- Credited to the recipient's financial institution on the same day (depending on the order time and the recipient country's time zone).
- Third-party fee payment can be selected:
 - The recipient receives the full amount.
 - The recipient receives the reduced amount.

Cash international

- The recipient receives the money in cash or as a cheque. Particularly suitable for regular payments such as pension benefits or insurance payments.
- Transactions can be made as an individual or standing order, as an electronic payment order, via e-finance or at the post office counter.
- Worldwide in around 50 countries.
- Payment/delivery within five to eight working days.
